

Become A Multi-Millionaire

Objectives

1. Disconnect and remove all ties and restrictions that prevent success and actually achieving the goal.
2. Begin programming acceptance of the idea that you can actually achieve, and be, a multimillionaire.
3. Positive thinking, positive attitude.
4. Success programming.
5. Gratitude.
6. Seize the day.
7. Seek the challenge.
8. Optimus Engine.
9. Fear destruction.
10. Consciously recognize and act, decisively and positively, on any and all opportunities to advance yourself to achieving the goal as quickly and safely as possible, without compromising morals or ethics, or harming anyone in the process.
11. Drive, passion and energy to succeed and achieve the goal.
12. Emotional investment.
13. Deservedness.
14. Develop, enhance and magnify the traits that naturally result in a self made millionaire, while simultaneously diminishing, reducing and destroying the traits that de-rail or prevent it.
15. Persistence, perseverance and long term focus on the goal.
16. Adjust priorities to achieve the goal as quickly, safely and permanently as possible, without compromising morals or ethics, or incurring undesirable debt.
17. Work to release and pay off any and all debts which stand in the way of success, as quickly and safely as possible, without harming anyone in the process.
18. Always maintain hope for, and expectation of success, and the necessary focus on the end goal.
19. Destroy laziness, excuses and contentedness with anything less than achieving the main goal, and do whatever is necessary, desirable, and possible to do in order to achieve the end goal safely, quickly, harmlessly and without compromising morals and ethics.
20. Unshakeable self confidence and confidence in one's goal and achieving that goal and all sub-goals that lead up to it.
21. Planning and goal setting – long, medium and short term goals, with step by step breakdown how to achieve each, and then achieve each goal in sequence like clockwork.
22. Disconnect from, reject, release, let go of, devalue, ignore, purge and destroy all negativity from others, externally and internally.
23. Manifest a circle of friends, associates, acquaintances and helpers who will push and pull you to successfully and completely achieving your major goal, without harming anyone in the process.
24. Refuse to stop using the programming until the goal is successfully achieved and made permanent.
25. Patience.
26. Forgiveness of self and others, and acceptance of forgiveness from self and others.
27. Give yourself complete permission to achieve the main goal, accept that permission, and act on it in positive ways. Disconnect from the want, need or desire for anyone else's permission to achieve the main goal, because it is unnecessary and detrimental.
28. Remove, disconnect from and prevent any and all distractions from, and detractions from

achieving the main goal.

29. Believe in yourself, your skills and abilities, and your ability specifically to achieve the goal.
30. Be willing to consider the points of view of others, and adjust course based on good advice.
31. Develop and increase maturity, and own your actions and choices.
32. Destroy all guilt, shame and fear.
33. Frame failure as just another step to success. Strive to avoid it, but be accepting of it as a way to achieve success as well.
34. Manifest yourself as having already achieved the main goal, without compromising your morals, ethics, safety, or harming anyone in the process.
35. Manifest achievement of all sub-goals successfully that lead to the main goal being achieved.
36. Refuse to surrender, give up on, compromise or abandon major goal.
37. Stop spending more than you make, and live well below your means.
38. Stop relying on credit and pay off all credit cards immediately.
39. Outgrow impulsive spending, and develop self control and willpower.
40. Improve self esteem, sense of self worth, self respect, self control, maturity, wisdom, intelligence, understanding, comprehension, self reliance, emotional balance.
41. Be self reliant, but balance that with knowing when, where and how to delegate for maximum success; be willing to do so, and then actually do it.
42. Develop leadership skills, and the self image of a leader, successful person and multi-millionaire.
43. Think like a multi-millionaire, and act in the ways that make being a multi-millionaire naturally become the inward and outward reality of the user.
44. Improve your physical, mental and emotional health to achieve the major goal.
45. Stabilize the mind, body and emotions to achieve the goal.
46. Open your mind to achieving your goal, and allowing yourself to achieve it using methods that may currently be unusual to you.
47. Refuse to justify choices and actions that are damaging or detrimental in order to achieve your goal.
48. Destroy habits that lead to failure, and develop and cultivate habits that lead to success.
49. Ego control and balancing. Balance the ego for optimal expression in all circumstances towards successfully achieving the major goal.
50. Always spend at least some time considering every financial expenditure to prevent impulse buying and spending money in wasteful ways, or ways that detract from achieving the major goal.
51. Heal everything internally at every level of your mind, body and emotions, that might detract from or prevent success in achieving the major goal.
52. Allow yourself in all ways, and at all levels of your mind, body and emotions, to accept and achieve complete success attaining the major goal.
53. Choose at every level of your mind, body and emotions, and in every way, to actually achieve the major goal.
54. Do whatever is necessary, desirable and possible, to achieve the major goal without harming anyone in the process.
55. Project yourself into the future in which you have already achieved your goal fully and with all possible success.
56. Joy and happiness in achieving the major goal.
57. Stop being happy with failure, negativity, laziness, etc. and switch that to being happy doing and being the things that will naturally result in becoming a multi-millionaire.
58. Balance brain hemispheres and hormones to achieve major goal.
59. Assertiveness programming.

60. Refuse to allow others to mistreat, control, or take advantage of you.
61. Definitively set your major goal as actually becoming a multi-millionaire.
62. Use your intuition to achieve your major goal.
63. Refuse to settle for anything less than complete success.
64. Be driven to become a multi-millionaire.
65. Disregard the responses of others when they conflict with personal success achieving the goal.
66. Project your focus into the future in which you already exist as a multi-millionaire, and then follow the energy there.
67. Make every decision become a step towards success.
68. Let go of beliefs that lead to guilt for being wealthy.
69. Definitively set primary goal as being to become a multi-millionaire.
70. Deservedness of all the positives that come from being a multi-millionaire.
71. Control the weaknesses that could erode wealth after achievement.
72. Willingness to be realistic about the time frame for actually becoming a multi-millionaire, and willingness to do what is necessary.
73. Destroy any and all guilt and shame, especially about or concerning being a multi-millionaire.
74. Manifest everyone, everything and all the circumstances you need to successfully become a multi-millionaire.
75. Self awareness, allowing you to leverage your strengths and your weaknesses to achieve the major goal.
76. Improve your intuition, recognize it, listen to it, use it.
77. Organize yourself, your life, your living and working space, and your plan to achieve the major goal.
78. Charisma.
79. Destroy jealousy within yourself and be unaffected by jealousy outside yourself.
80. Continually tap into your natural inner genius for finding the best way forward all the time.
81. Be able to feel the state of success and sense it's presence as it arrives.
82. Kill boasting and keep your mouth shut.
83. Abundance mindset.
84. Live by your own rules to achieve the major goal, without harming others or compromising your honor, morals and ethics in the process.
85. Think outside the box.
86. Action orientation towards always doing things that are constructive and productive towards achieving the major goal.
87. Creativity enhancement.
88. Destroy procrastination and self sabotage (fear).
89. Automatically make the best possible decision for successfully, safely, permanently and quickly achieving the major goal, without harming others or compromising morals or ethics in the process.
90. Automatically attract the best opportunities which lead to greater and greater wealth, abundance and success.
91. Everything is possible/limitlessness programming, guided by wisdom, morals and ethics.
92. Attract all the best possible people who can act as sources of income for you. (Customers, etc.)
93. Negotiation skills, deal closing skills.
94. Learn everything necessary in the areas necessary to achieve the major goal.
95. Improved communication skills in all ways and at all levels.
96. Commit to and finish each task undertaken, and approach undertaking the tasks in the best possible way.
97. Unshakeable self discipline toward achieving the major goal.

98. Destroy and reject the victim mentality.
99. Take personal responsibility for yourself, your actions, your choice and the results of my choices.
100. End the blame game.
101. Unbreakable willpower towards achieving the major goal.
102. Kill excuses, whining, complaining, and just get the job done and done right.
103. Destroy regret.
104. Enjoy the journey to achieving the major goal.
105. Find the best possible path to the major goal automatically.
106. Disconnect from neediness.
107. Always think clearly and in a balanced manner, seeing what is really there, instead of what might be desired.
108. Maintain composure and self control at all times in order to achieve the major goal.
109. Destroy insecurity and relax without losing motivation.
110. Destroy fear concerning poverty, money, wealth, etc. and all limitation thinking concerning it.
111. Multiple streams of income.
112. Energy to accomplish all desired goals and sub-goals.
113. Attention focuser. Focus and concentration enhancement.
114. Maximize the abilities necessary to achieve success and then automatically use them to their fullest potential, every day.
115. Confidence in success that leads to Inspiration to achieve success with the major goal.
116. Attracting all the right people to learn everything you need to know to succeed.
117. Destroy limiting wealth ceilings and replace them with permission to create, generate, have and achieve unlimited wealth.
118. Expectation of success.
119. Doing what is necessary to do to achieve and maintain success, concerning bookkeeping and taxes.
120. Maximize wisdom.
121. Consistently increasing the amount of income you generate as time goes on.
122. Invest your time wisely, maturely, effectively and efficiently towards achieving your major goal.
123. Prevent yourself from burning out.
124. Know exactly what you want, go after it, and get it.
125. Dream the solution to issues.
126. Generate the vibration of the end goal within yourself, and then allow that vibration to naturally and automatically manifest the end goal from the inside out.
127. "Failure only exists if I give up, which I refuse to do. Therefore, failure is impossible, and success is inevitable."
128. Respond to negativity from others by increasing determination to succeed proportionately.
129. Willingness to take wise risks.
130. Enjoy the challenge of achieving the major goal.
131. Find opportunities to further your success toward your major goal in everything and everyone, and act on those opportunities in ways that advances you toward your major goal automatically.
132. Stay the course in the face of fear, but be willing to change in the face of proof.
133. Money as a positive thing.
134. Shift point of view from poverty to wealth.

135. Healthy selfishness that enables and allows achievement of the goal, and maintenance of the status, without being unreasonable.
136. Destroy fear of rejection/negativity from others because you became wealthy; fear of being wealthy; and fear of doing what is necessary to be and remain wealthy.
137. Always use your money to make more money, and always have your money working for you and growing for you.
138. Make yourself better and better while achieving your goal.
139. Live below your income limits and refuse to spend more than you have coming in.
140. Be unaffected by leeches, have the strength and ability to refuse them, and cut them out of your life.
141. Activate and develop all necessary traits for becoming a multi-millionaire.
142. Anti-piracy measures
143. Kill insecurity and neediness concerning needing to prove or display wealth or feel good enough by doing so.
144. Self esteem, self respect, self worth and self validation programming.
145. Self sufficiency.
146. Being unaffected by what others think, say or do about or in response to you because you are self sufficient and self validating.
147. Always be creating more and more sources of wealth, success and income for yourself.
148. Class, grace and social graces.
149. Unlimited goals and dreams.
150. Find a way to make doing what you love to do, make you wealthy.
151. Commit to being excellent in your field, and always strive to be the best at what you do and getting better every day.
152. Develop your unique qualities.
153. Accept 100% responsibility for your own thoughts, feelings, actions, attitudes, responses and results.
154. Develop a clear sense of direction.
155. Refuse to accept failure as anything but a step toward success, and persist.
156. Spend time learning every day.
157. Work instead of playing.
158. Enjoy every aspect of advancing yourself toward success.
159. Develop resilience and always bounce back; be unbreakable.
160. Unlock your inborn creativity and genius for success in your field and for success in becoming a multi-millionaire.
161. Unshakeable optimist.
162. Develop a reputation for dependability.
163. Develop a sense of urgency to succeed and become a multi-millionaire.
164. Be impeccably honest with yourself and others; be true to yourself, and live in truth with others.
165. Concentrate singlemindedly on one thing at a time, and stay with it until it's 100% finished.
166. Set priorities.
167. Do everything with courage and persistence.
168. Learn from the experts.
169. Definitively decide to be a multi-millionaire.
170. Accept your value as worth more than a million dollars.
171. Make it your duty to become and maintain multi-millionaire status.
172. Surround yourself with multi-millionaires.

173. Work like a millionaire: buy time, instead of selling it.
174. Shift your focus from spending to investing (invest money in something that will generate more wealth).
175. Be obsessed with becoming a multi-millionaire.
176. Take full responsibility for your finances.
177. Intelligence and wisdom enhancement.
178. Learn faster.
179. Become a leading expert in your field knowledge-wise.
